

July 25, 2019 - Installation instructions: unzip and enjoy. Mounting the ISO and installing the game also works fine if you want. In full screen mode, strange ... 4-^o Hollow Knight Walkthrough. In Russian. This is the full and storyless version of the game. It has no text, voice acting and subtitles. Just play it like any other game. The menu is in English, but this is not a big problem. Actually, I spent about an hour to find the solution. Some important things: 1. The game was created using UltraISO. 2. With this instruction, you can mount the ISO file even if the UltraISO version has been uninstalled or reinstalled.
